

Genuine Parts Company Reports Sales And Earnings For The First Quarter Ended March 31, 2015

- Sales Up 3% and EPS Up 3% -

ATLANTA, April 21, 2015 /[PRNewswire](#)/ -- Genuine Parts Company (NYSE: GPC) announced today first quarter sales and earnings for the quarter ended March 31, 2015.

Sales for the first quarter ended March 31, 2015, increased 3% to \$3.7 billion compared to sales of \$3.6 billion for the same period in 2014. Net income for the first quarter was \$161.0 million, up 2% from \$157.5 million recorded for the same period in the previous year. Earnings per share on a diluted basis were \$1.05, up 3% compared to \$1.02 for the first quarter last year.

Tom Gallagher, Chairman and Chief Executive Officer, commented, "We are pleased to report a solid start to 2015 and, although our sales and earnings growth rates moderated from the results reported in recent quarters, we performed in line with our expectations. Our total sales increase of 3% included approximately 4% underlying sales growth and a 1.5% contribution from acquisitions, offset by a currency headwind of approximately 2%. Sales for the Automotive Group were flat with the prior year and consisted of core automotive growth of approximately 3% and a slight benefit from acquisitions, less the negative impact of currency of approximately 4%. Sales at Motion Industries, our Industrial Group, were up approximately 3%, including 3% underlying growth and 1% from acquisitions, offset by a currency headwind of approximately 1%. Sales at EIS, our Electrical/Electronic Group, increased by 1% and included approximately 6% growth from acquisitions, net of a 4% decrease in core sales and a 1% negative impact of copper pricing. Sales for S. P. Richards, our Office Products Group, were up approximately 17%, consisting of 11% underlying growth and 6% from acquisitions."

Mr. Gallagher concluded, "Our sales and earnings growth in the quarter was supported by solid cash flows and a strong balance sheet. As we move forward in the year, we are well positioned for further progress across our operations and remain optimistic that 2015 will be another successful year for the Company."

Forward Looking Statements

Some statements in this report, as well as in other materials we file with the Securities and Exchange Commission (SEC) or otherwise release to the public and in materials that we make available on our website, constitute forward-looking statements that are subject to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Senior officers may also make verbal statements to analysts, investors, the media and others that are forward-looking. Forward-looking statements may relate, for example, to future operations, prospects, strategies, financial condition, economic performance (including growth and earnings), industry conditions and demand for our products and services. The Company cautions that its forward-looking statements involve risks and uncertainties, and while we believe that our expectations for the future are reasonable in view of currently available information, you are cautioned not to place undue reliance on our forward-looking statements. Actual results or events may differ materially from those indicated as a result of various important factors. Such factors may include, among other things, slowing demand for the Company's products, changes in general economic conditions, including, unemployment, inflation or deflation, high energy costs, uncertain credit markets and other macro-economic conditions, the ability to maintain favorable vendor arrangements and relationships, disruptions in our vendors' operations, competitive product, service and pricing pressures, the Company's ability to successfully implement its business initiatives in each of its four business segments, the Company's ability to successfully integrate its acquired businesses, the uncertainties and costs of litigation, as well as other risks and uncertainties discussed in the Company's Annual Report on Form 10-K for 2014 and from time to time in the Company's subsequent filings with the SEC.

Forward-looking statements are only as of the date they are made, and the Company undertakes no duty to update its forward-looking statements except as required by law. You are advised, however, to review any further disclosures we make on related subjects in our subsequent Forms 10-K, 10-Q, 8-K and other reports to the SEC.
